

# Skatteetaten

# Personal income from sole proprietorship 2013

See the guidelines for how to use minus or plus signs in the form

Name			Personal ID number	
Enterprise/ office address (business income from more than one municipality must list item)		Postal code	Postal district	
Type of business (see guidelines)			Sector code	

## Basis calculation

1.1 Amount transferred from Income Statement 1 (item 0402E), Income statement 2 (item 0402E), Næringsoppgave for billedkunstnere ('Income Statement for visual artists' – in Norwegian only) (item 2.90) or from Operating result in the tax return RF-1030.	
1.2 Interest on the enterprise's debt to financial institutions entered under item 2.10 (see guidelines to item 2.10), and interest on operating credits/ overdraft facilities and enterprise loans taken up and repaid during the year.	-
1.3 Capital income (yield and gains, not interest) relating to financial instruments or to real capital that has not been active in the enterprise. (The income must be entered in your income statement or under Operating result in form RF-1030 and be included under item 1.1). See the guidelines for information about interest relief subsidies from Innovation Norway.	-
1.4 Reduction amount for rented property for which a deposit has been paid	-
1.5 Capital expenses (not interest) and losses relating to financial instruments or to real capital that have not been active in the enterprise. (The expense must be entered in your income statement or under Operating result in form RF-1030 and be included under item 1.1).	+
1.6 Gain on the realisation of plots of land in agriculture/forestry that is not to be included in personal income. (Amount transferred from form RF-1177 item 453)	-
1.7 Total	=
1.8 Risk-free return (positive amount from item 2.11 or 2.12 multiplied by the risk-free interest rate)	a) Interest rate X %
1.9 Calculated personal income for the year before any coordination/carryforward. In cases of allocation between spouses, the amounts in item 1.1.0 will be used for the calculation.	=

## Allocation between spouses (Allocation of item 1.9 between spouses)

### Spouse

1.10 Allocation between spouses of item 1.9, see the guidelines	% share	a)		% share	b)
---	---------	----	--	---------	----

## Coordination/carryforward of negative calculated personal income

1.17 Calculated personal income for the year before any coordination/carryforward			
1.18 Negative calculated personal income from previous years (negative calculated personal income from an «ANS/DA/KS» cannot be carried forward)	-		-
1.19 Deduction for negative calculated personal income transferred from another business with which coordination is possible – see the guidelines	-		-
1.20 Addition for negative calculated personal income transferred to another business with which coordination is possible – see the guidelines	+		+
1.21 Addition for negative calculated personal income that can be coordinated with remuneration for work from an ANS/DA/KS this year – see the guidelines	+		+
1.22 Addition for negative calculated personal income that can be coordinated with a share of the proceeds from fishing this year – see RF-1213 item 118	+		+
1.23 Calculated personal income for the year. If the result is less than zero, this is the calculated negative personal income that can be carried forward for deduction in subsequent years. (Negative calculated personal income is not to be entered in the tax return)	=		=
1.24 Information item (for those who choose not to use item 1.18 to reduce positive calculated personal income by carrying forward negative calculated income from previous years) – see the guidelines			

## Specification of positive calculated personal income from item 1.23

### Spouse
